Join a Virtual Session

Learn how to join a virtual session as an attendee in Attendee Hub.

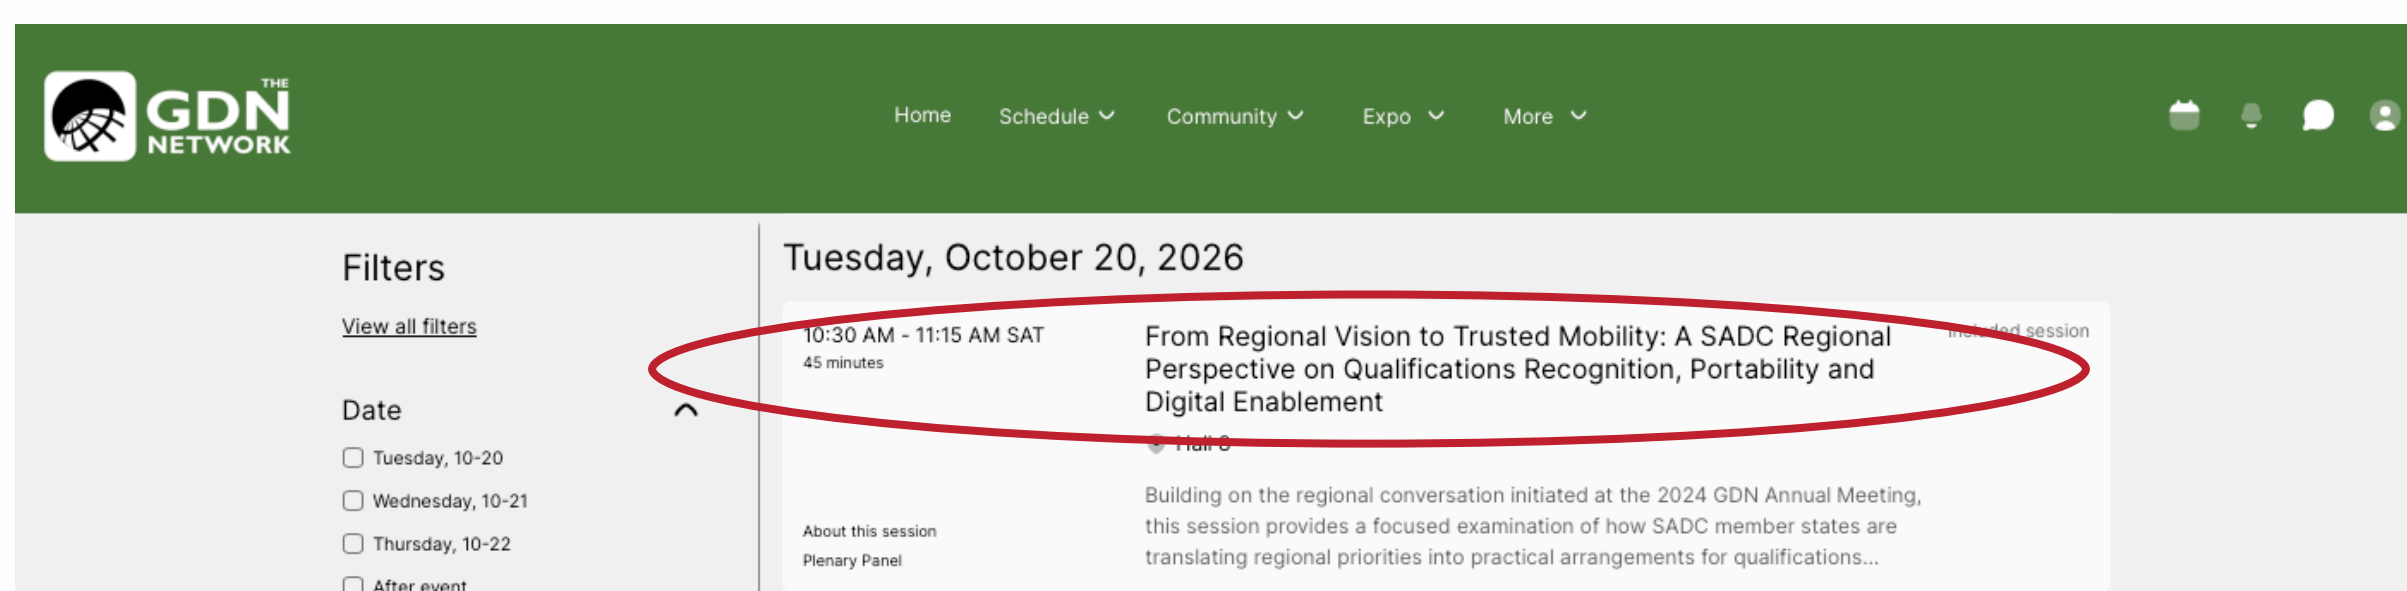

Open a new window in your browser. The Attendee Hub is compatible with the latest version of versions of Chrome, Firefox, Safari, and Microsoft Edge.

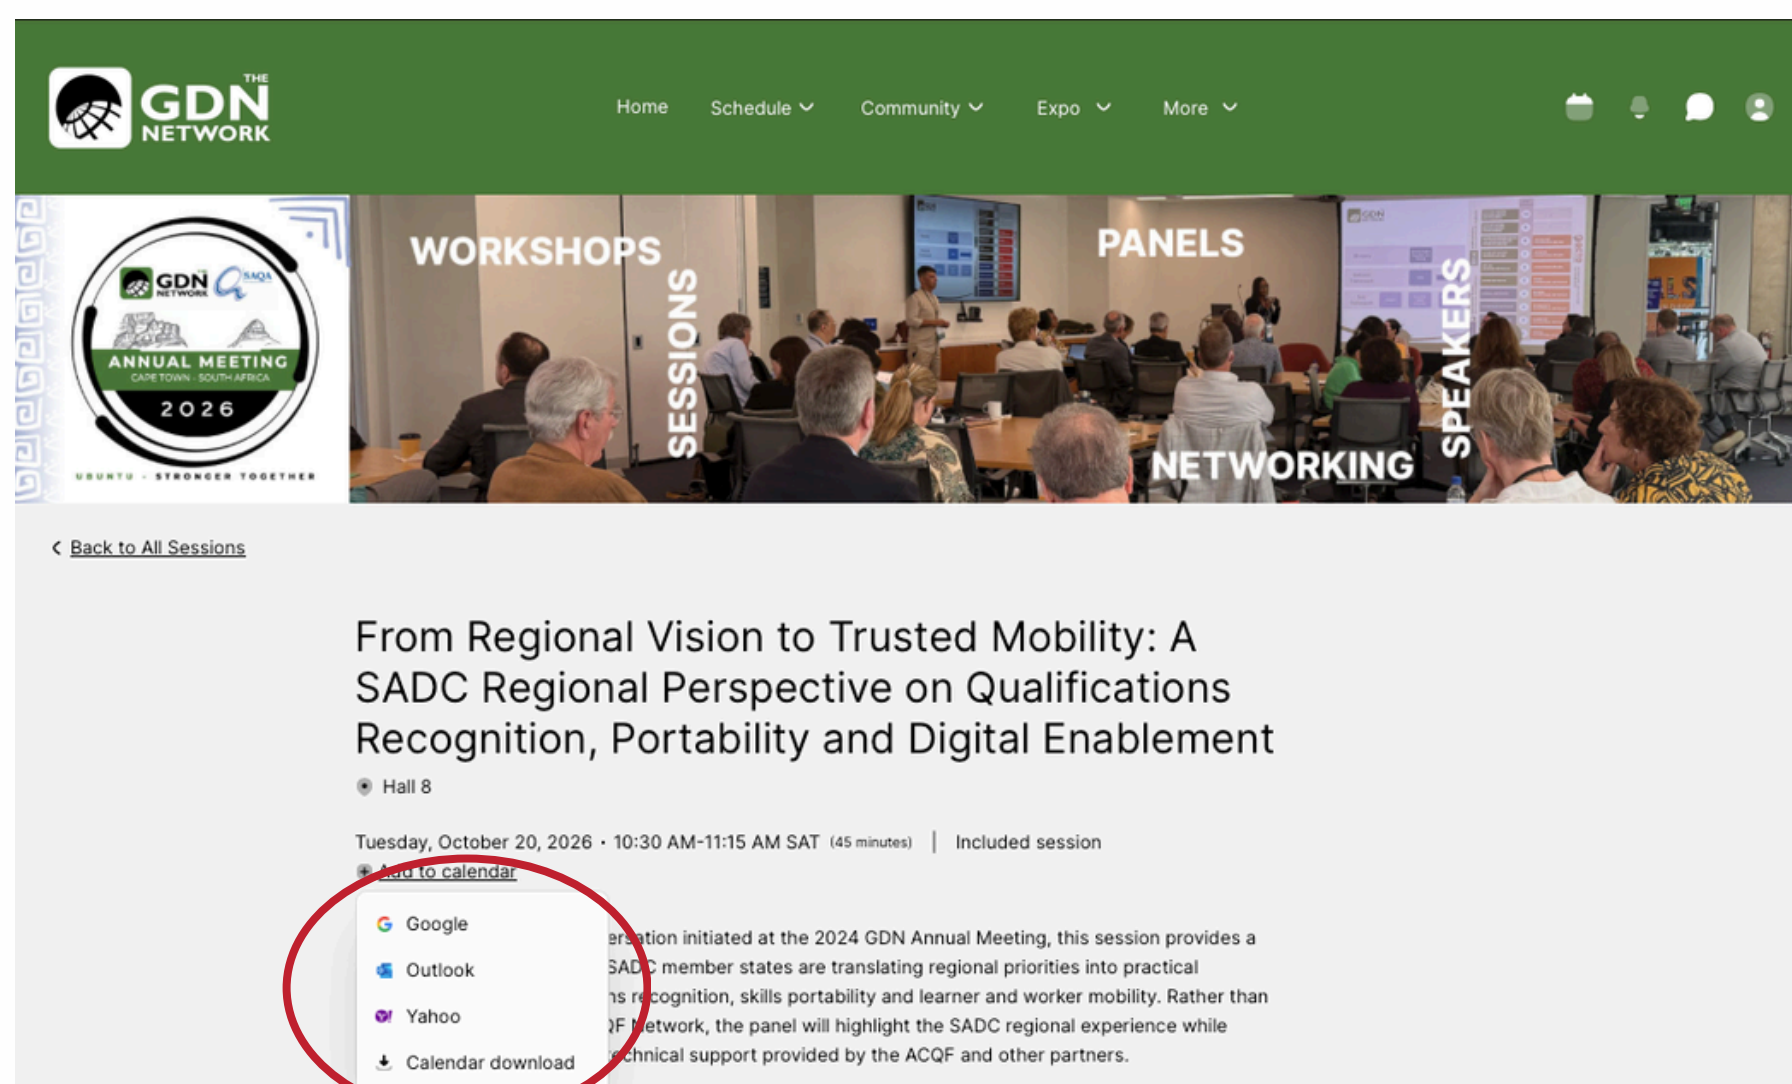

1. **Access the Attendee Hub website.** Begin by logging in to the Attendee Hub website.
2. **Navigate to the session from your Schedule.** The Home page will open by default. From the top navigation bar, click **Schedule**, then **My Schedule**.

Locate the session you want to join and click its name.

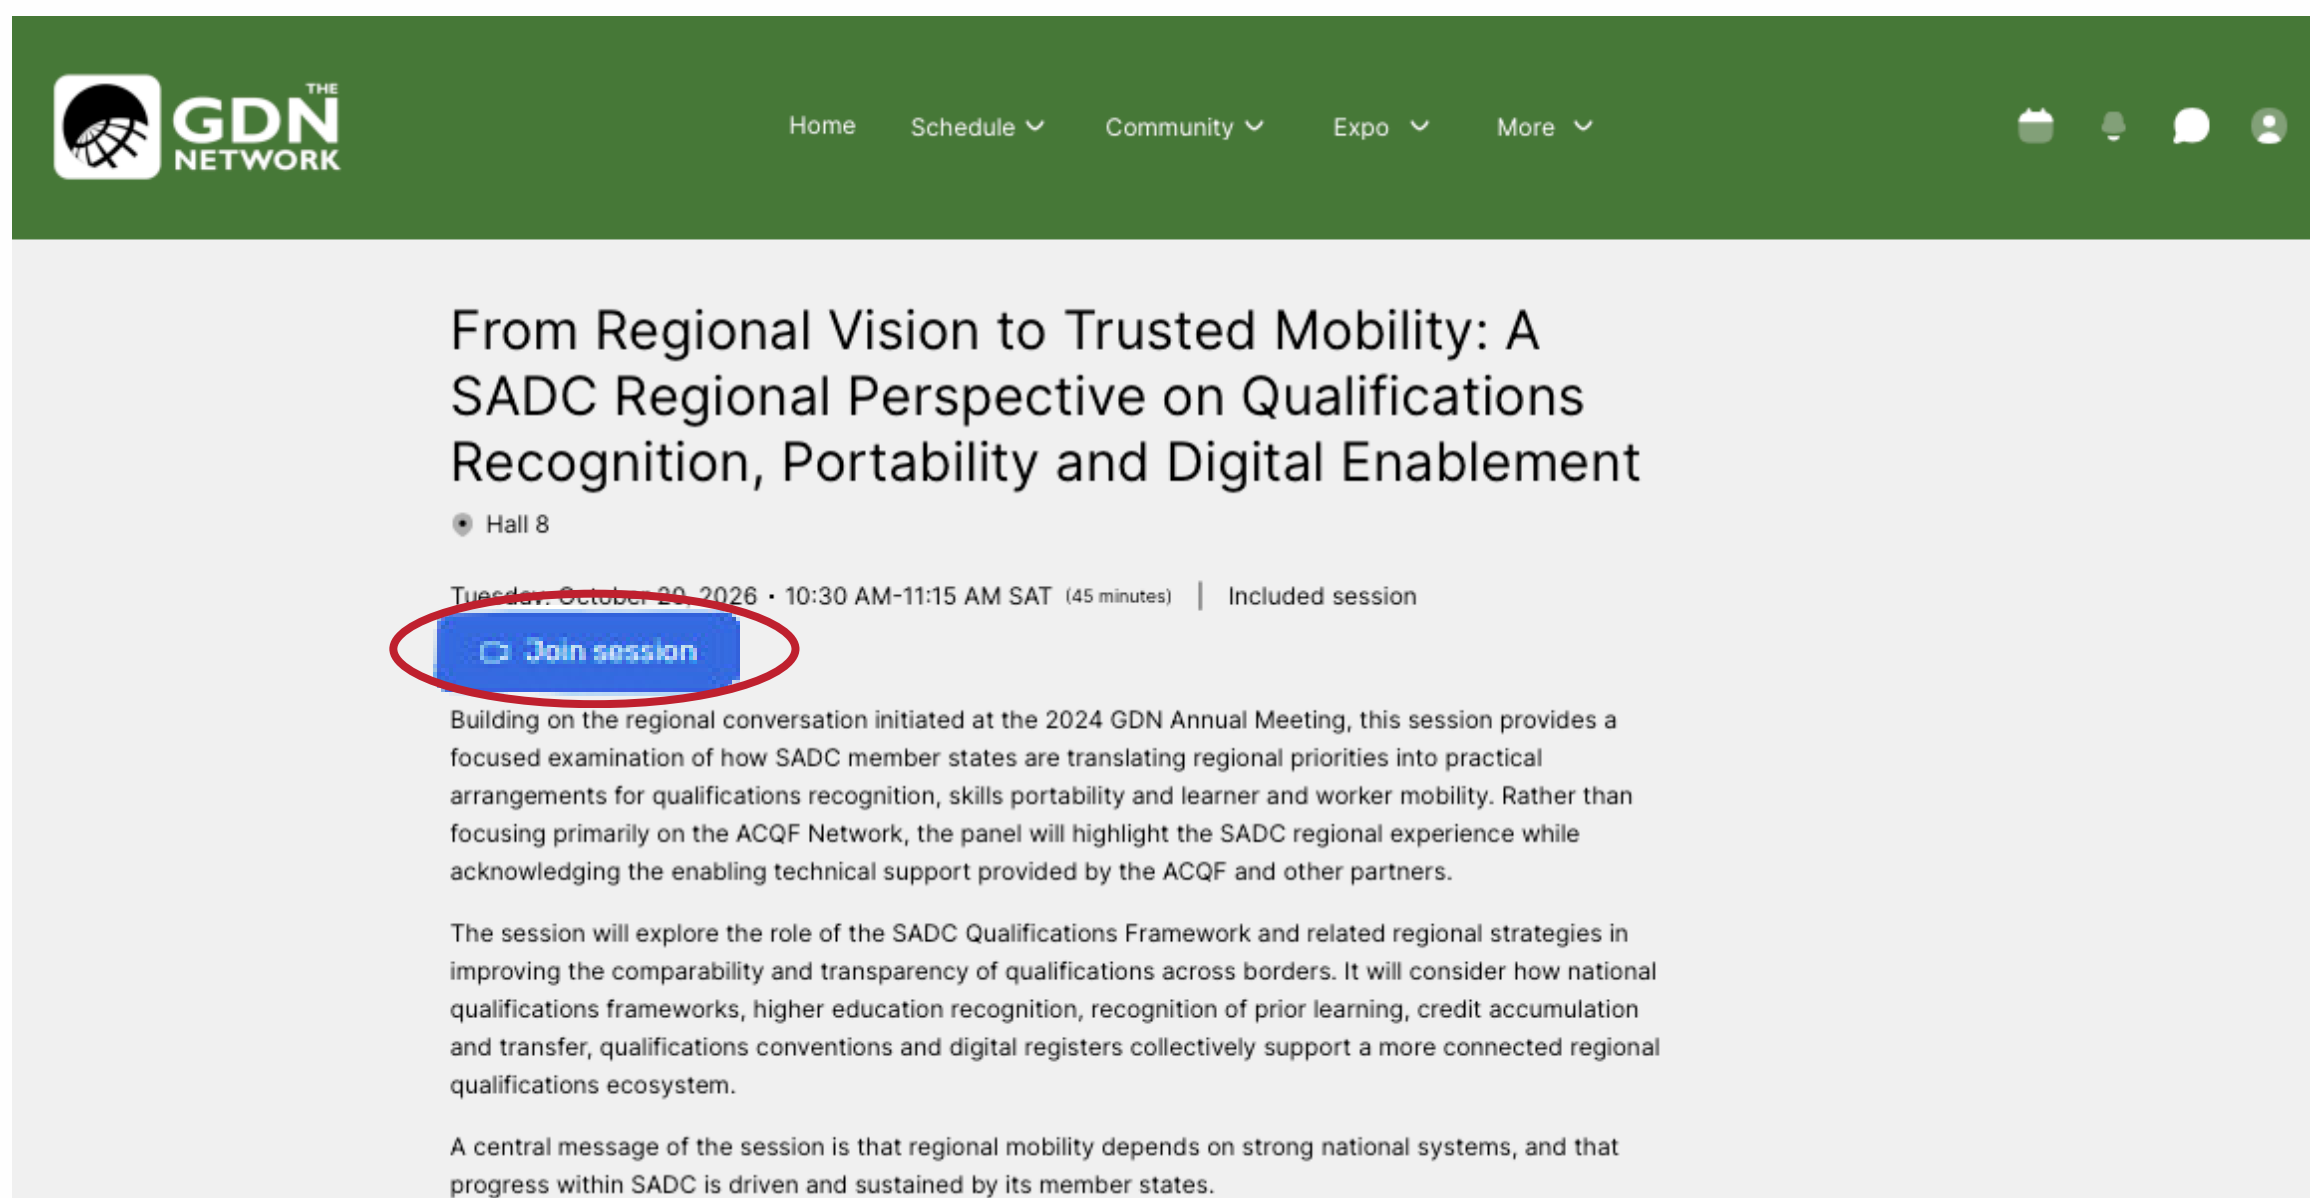

3. **Add the session to your personal calendar**, if desired. If you are previewing the session before it begins and want to add it to your personal calendar, click **Add to calendar**, then select your email provider or the calendar download file.

Join a Virtual Session

4. **Join the session.** When it's time for the session to start, click **Join session** to access the session. **The *Join session* button will only be available five minutes before the session start time.**

From this point, **Zoom** will launch on your computer and you will be able to join the session.

FAQ

What should I do if I haven't received a verification code to log in to the Cvent Attendee Hub?

If you haven't received a code to log in to the Cvent Attendee Hub, first check your spam folder for the verification email, then try these steps: check your registered email address is correct, confirm you entered your details accurately, and if still no code is received, contact the event organizer as they can look up your verification code within the Cvent system and provide it to you.

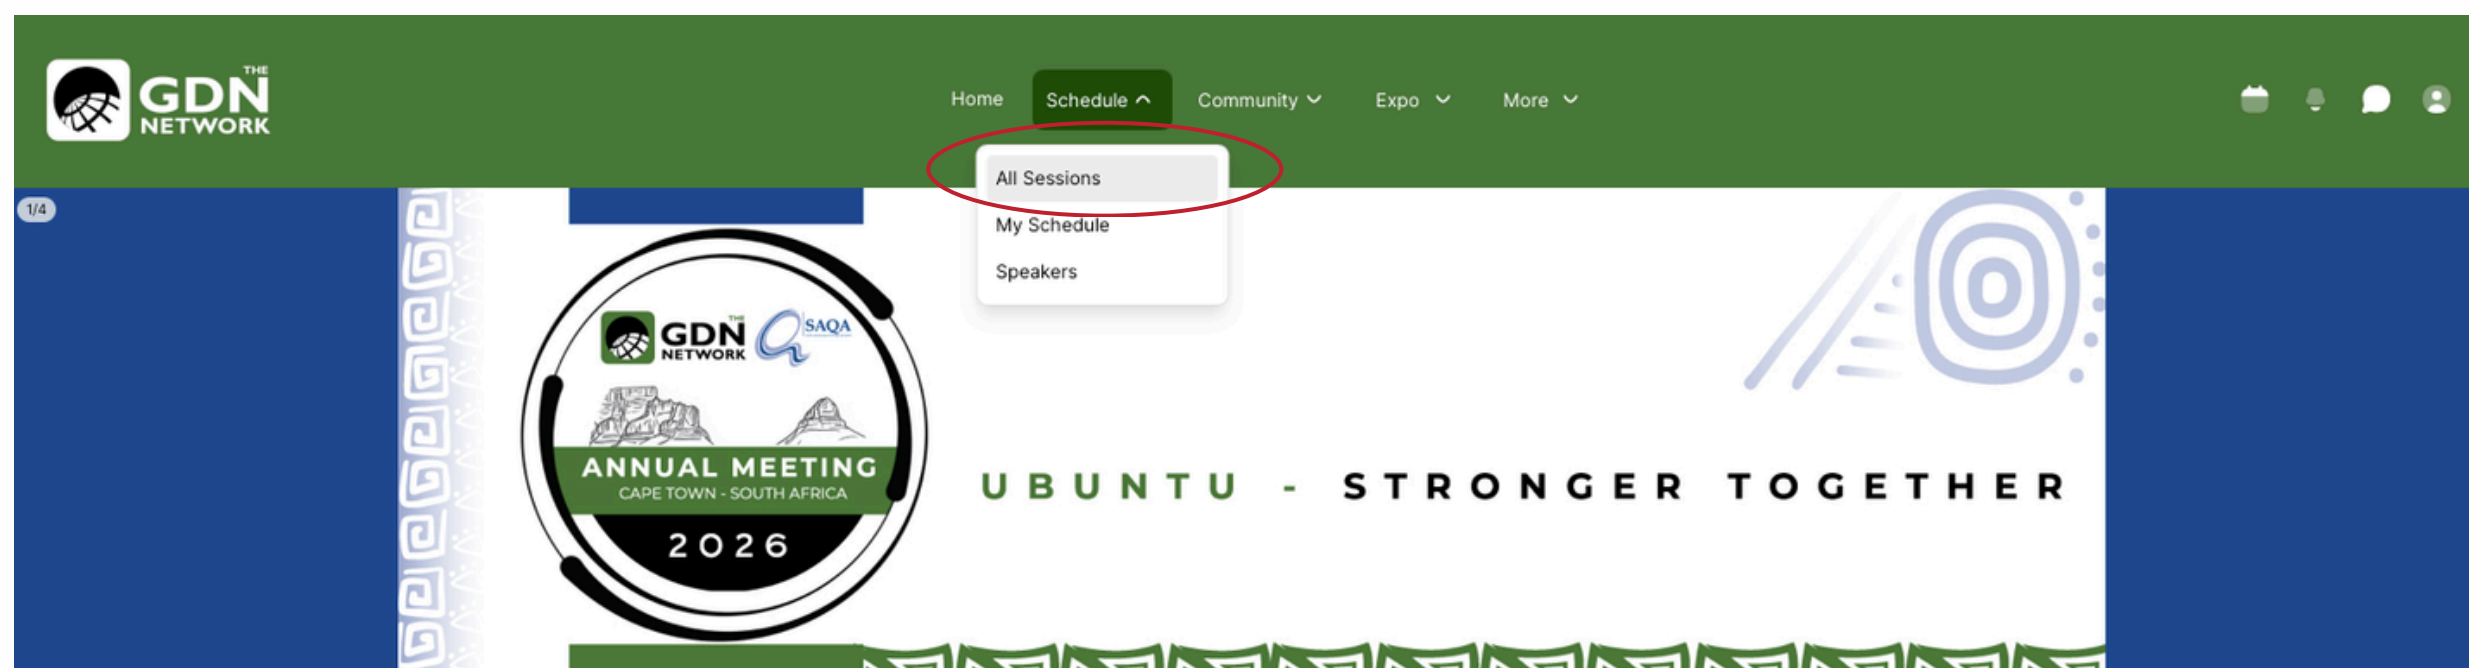

Add a Session to your Schedule

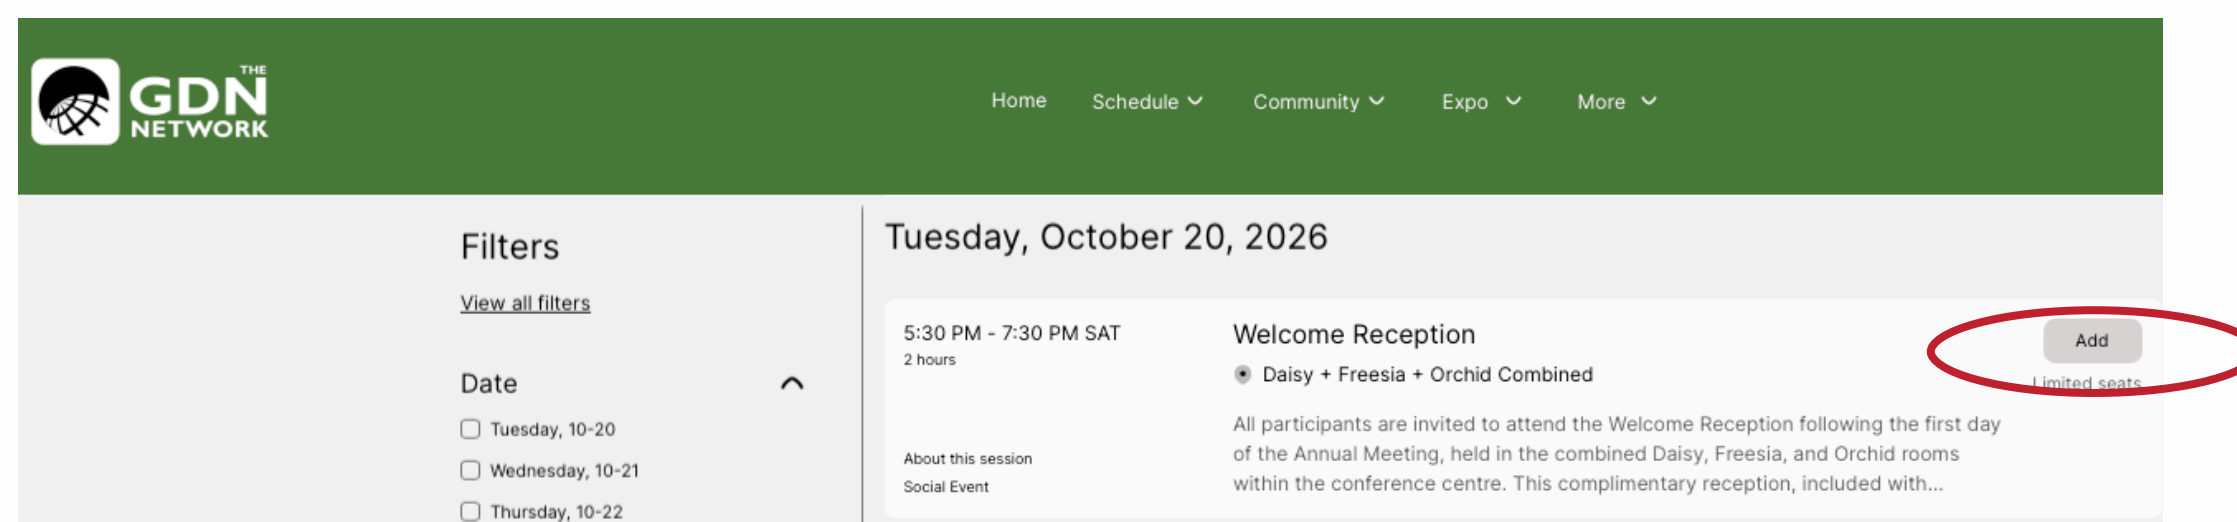

All sessions for this event are automatically included in your registration. The only items you need to register for separately are the optional **Welcome Reception, Roundtrip Bus Transportation: GDN Annual Dinner (Optional)** and **GDN Annual Dinner at MOYO Kirstenbosch** for participants attending in person.

To add either of these to your registration, please follow the instructions below.

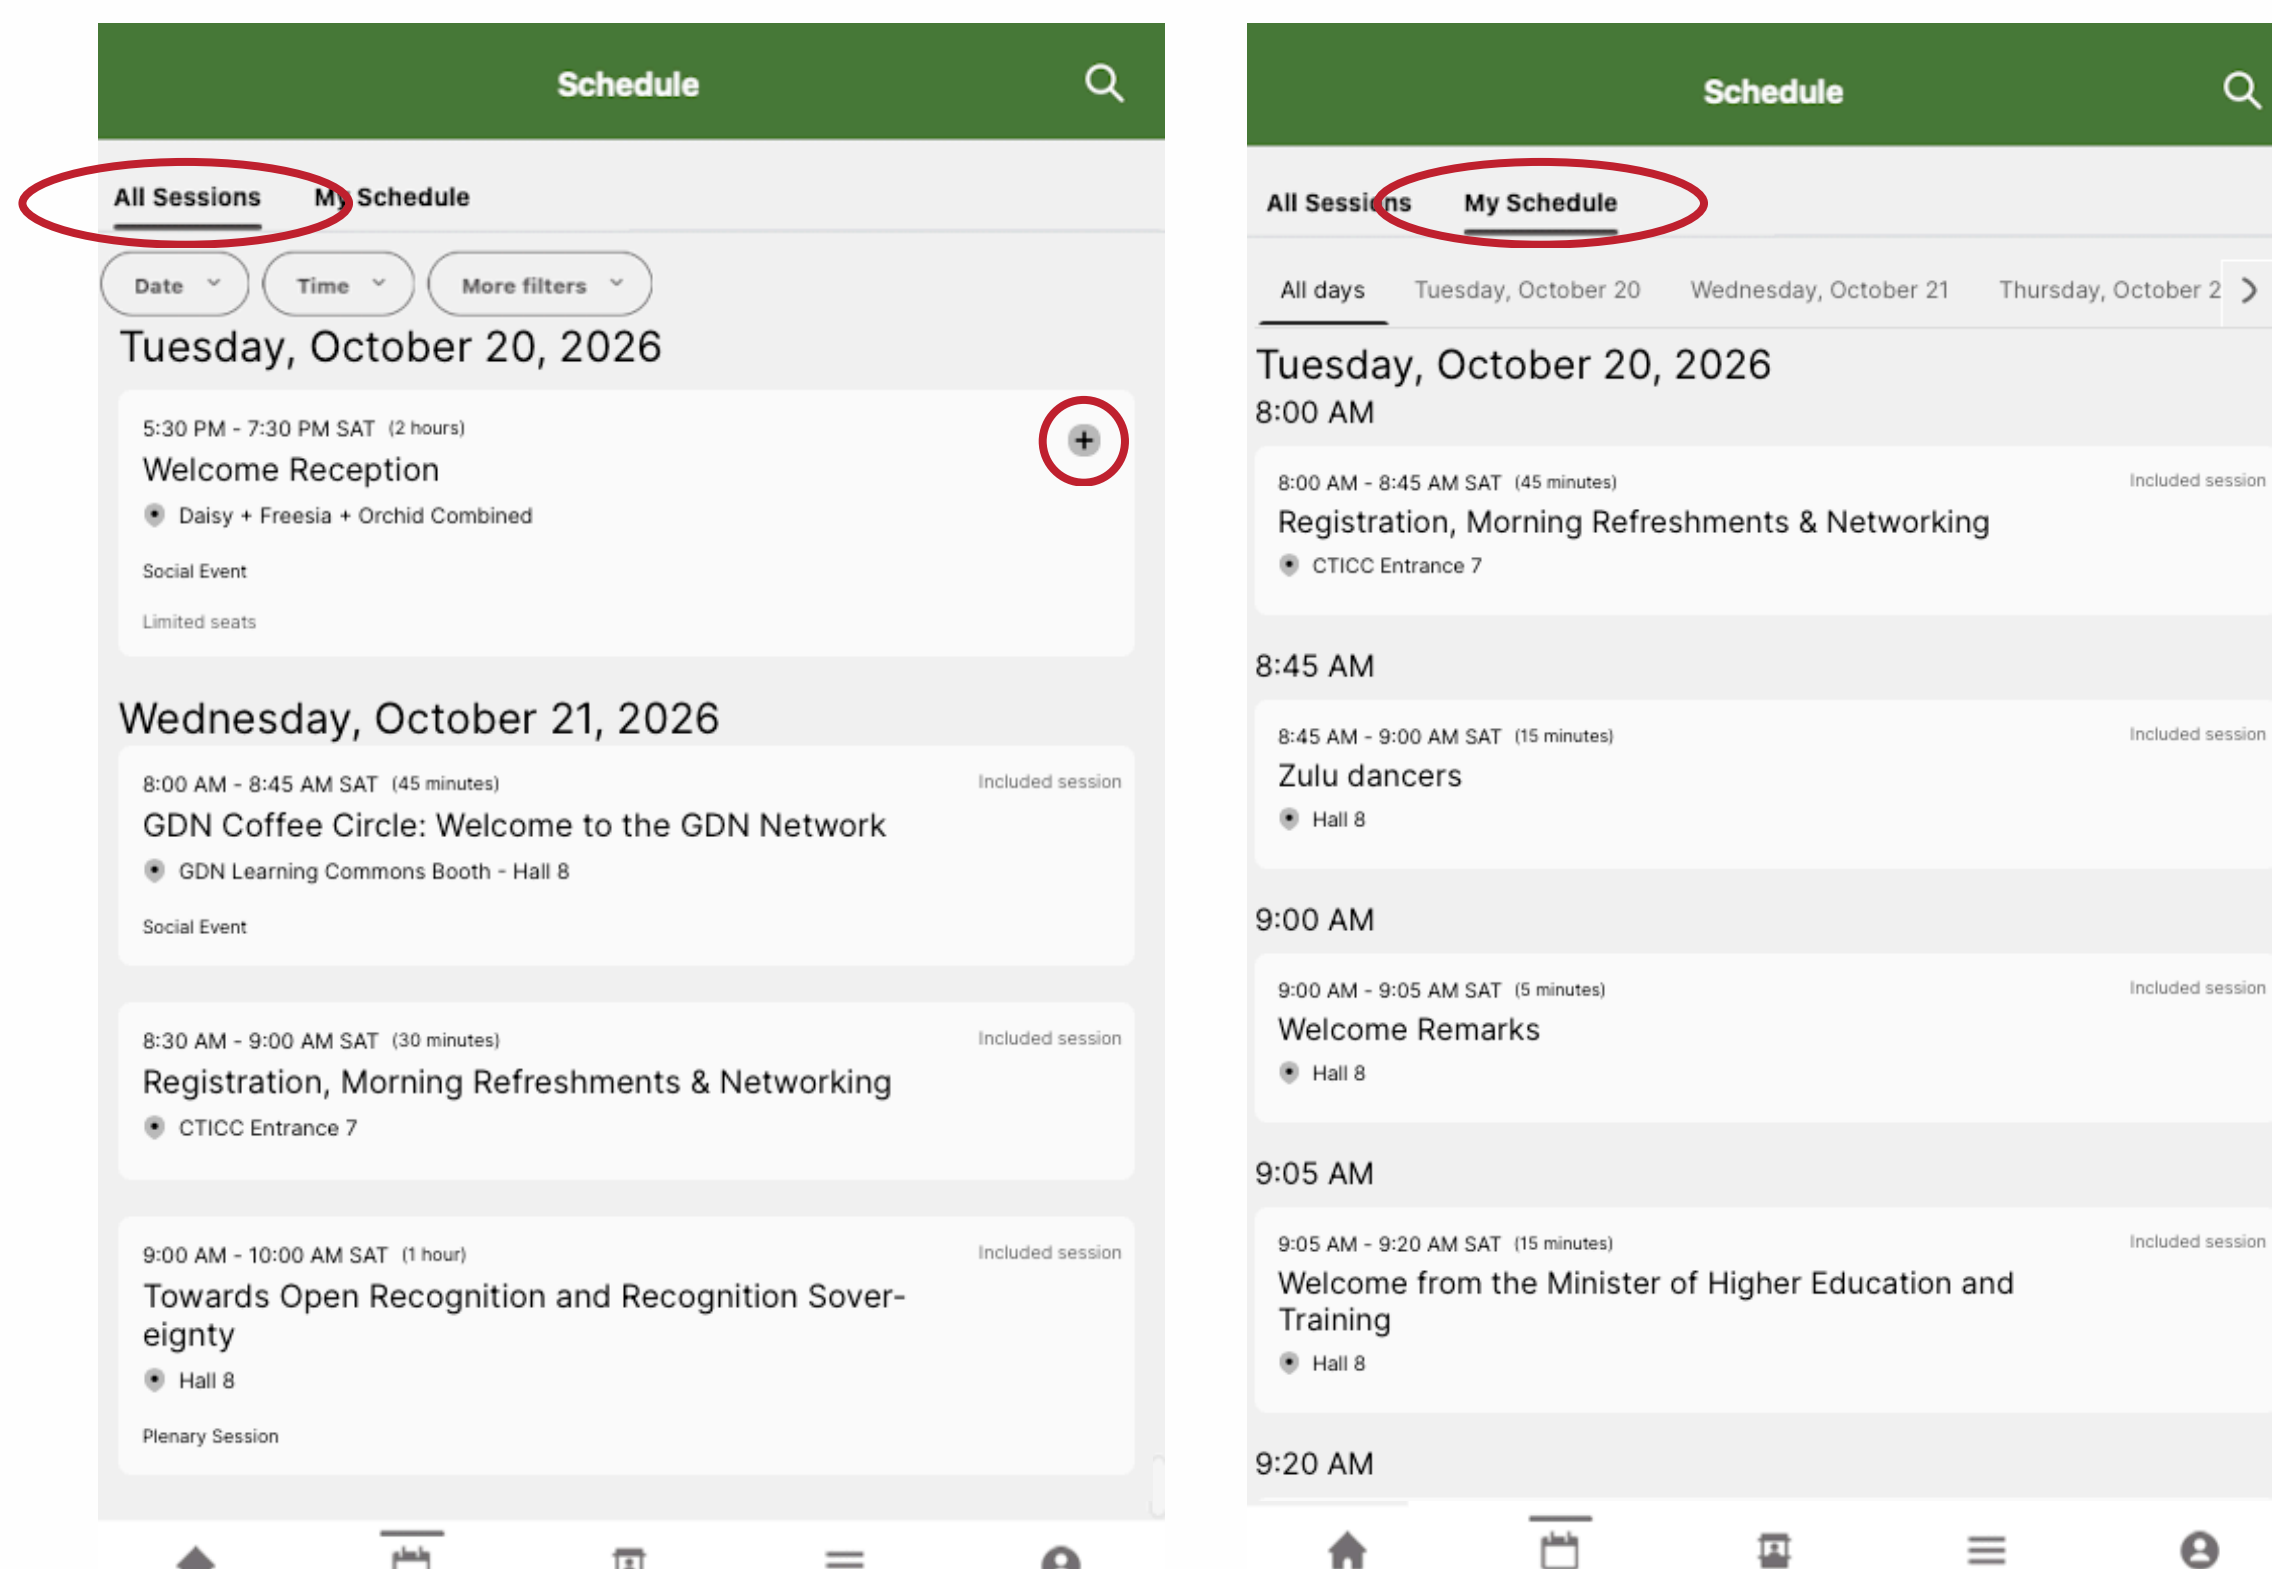

Once logged-in, visit the **All Sessions** tab on the website.

You'll see an **"Add"** button next to a session. Click on the **Add** button to add the selected session to your schedule.

In the **app**, you'll see a **plus sign** next to a session if it's available to add, and a **checkmark** next to a session if it's already on your agenda.
